

**Country View Condominium Owners Association
Trash Can Agreement**

The Country View Condominium Owners Association fees include trash pick up weekly of one (1) EDCO 35-gallon trash container. EDCO also offers a 95-gallon trash container at an increased cost. Once an account has been established, it will remain in effect until cancelled through EDCO by exchanging the 95-gallon container for the 35-gallon container and there will be no prorating if cancelled during the month. Upon receipt of this agreement, the property manager will arrange with EDCO for the exchange of trash containers. An account for renters cannot be established, therefore this form must be completed by the owner of the unit.

Any homeowner wishing to exchange their trash containers must complete the following information and submit this request to the property manager.

NAME		
ADDRESS		
ACCT #	PHONE:	PHONE:

I understand that by signing this application for a 95-gallon trash container, an extra charge of \$5.75 per month will be added to my monthly association invoice to cover the additional paper work and cost of a larger container. It is understood that this price will be adjusted without notice anytime there is an increase in EDCO's billing rate.
